ABOUT

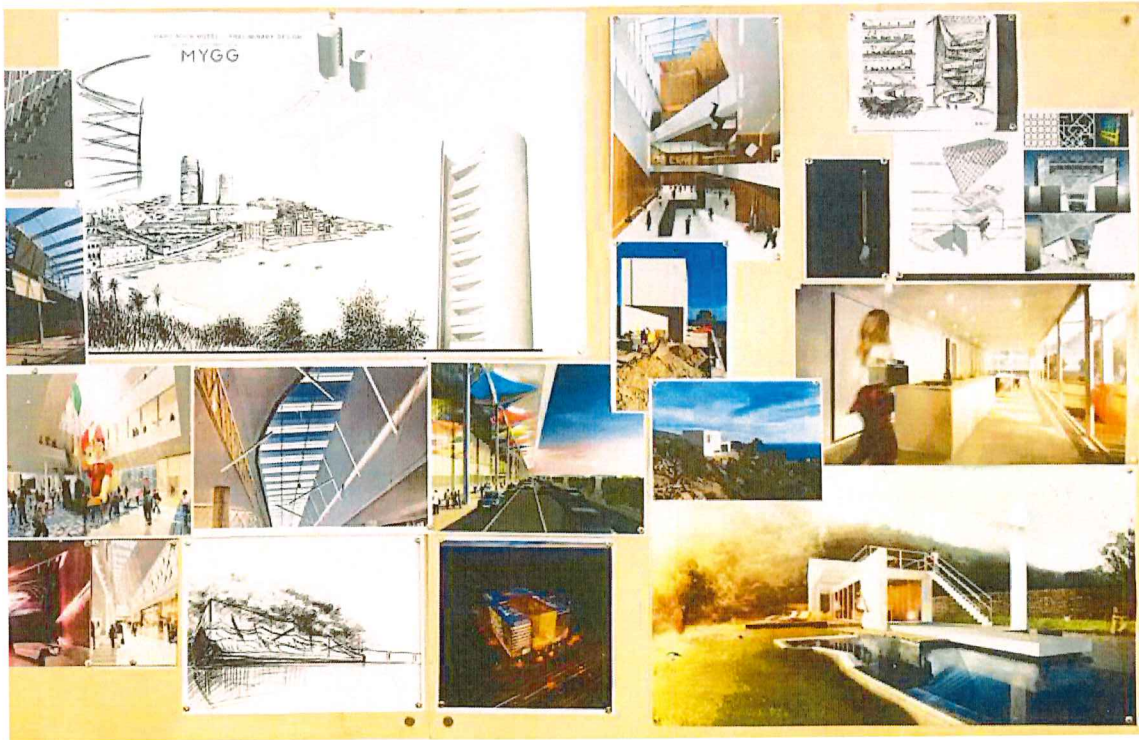

MYGG is a young innovative architecture office based in Milan, Italy.

Founded in 2012 by Yolanda Velasco, Gerardo Sannella and Giovanni Feltrin, MYGG provides an **ARCHITECTURE** with a strong sense of identity; **URBAN STRATEGIES** and **MASTERPLANNING** enhancing our communities, as well as tangible **DESIGN** and creative visual **GRAPHICS**.

Spanning retail, mixed use, hospitality, residential, education, workplace, and

masterplanning, our architecture is the result of teamwork and international, transdisciplinary networks.

The intense collaboration, communication, and creativity of the MYGG Team create environments around the world, in which people want to live, learn, shop, work and relax.
